Background

1. **Atal Bihari Vajpayee Institute of Good Governance and Policy Analysis** came into existence in May 2014 in succession to the School of Good Governance and Policy Analysis established in September 2007. The Institute's Governing Council is presided over by the Chief Minister of Madhya Pradesh. The Director General is its administrative and operational head. The Institute plays a leading role in bringing in quality inputs for good governance and the delivery of public services in Madhya Pradesh.
2. **Public Health Foundation of India (PHFI)** is a response to redress the limited institutional capacity in India for strengthening training, research and policy development in the area of Public Health. It is a public private initiative that was collaboratively evolved through consultations with multiple constituencies including Indian and international academia, state and central governments in India, multi & bilateral agencies and civil society groups in India. Today, the initiative enjoys substantial support in India and internationally.
